The perfect way to stash your small items

You know those little odds and ends that always seem to clutter up every sewing room? Snippet Catchers help calm the clutter and transform random bits and pieces into neatly organized collections. These pretty little fabric bins are just the right size to hold all kinds of small items: fabric snippets, thread ends, loose change, paintbrushes, paper clips, keys, candies—you name it! Snippet Catchers are the sweetest way we know to neaten up a sewist's or crafter's life. They are easy to personalize with embroidery, a quilt block, or a favorite saying.

- Each set includes two Snippet Catchers—one large (6.5" high × 5" diameter) and one small (5.75" high × 4" diameter), both with a handle that swings up and down
- Tough, laminate-lined canvas is light enough to carry anywhere and can be machine washed and dried
- An ecosystem-friendly compost bin for the studio/sewing room—stash fabric and thread bits and then toss them in the garden for birds to use in nest making
