Foolproof Walking-Foot Quilting Designs

Visual Guide • Idea Book

Take your machine's walking foot for a walk on the wild side and move beyond basic stitch-in-the-ditch quilting! In her follow-up to best-selling *Foolproof Machine Quilting*, award-winning author Mary Mashuta teaches you how to quilt attractive lines, curves, and geometric shapes with a walking foot. The book includes a multitude of designs, each adapted for walking-foot quilting and marked with clock icons to indicate the skill level and time required to accomplish it. This visual guide provides an inspirational gallery of 30 finished quilts and is enhanced by detailed photos of successfully quilted blocks, center panels, sashing, borders, and corners.

- Includes clock icons for each design to indicate the skill level and time required to accomplish
- Custom designs to fit every block, border, and corner—with no marking and no math
- Ideas for using commercial quilting templates, paper cuttings, and traditional sashiko-style designs
- Decorative stitches, hand quilting, and embellishments are used to enhance piecing
