The Best of Sewing Machine Fun for Kids, Second Edition

Ready, Set, Sew • 37 Projects & Activities

Introduce your kids to sewing with 14 new and updated boredom-busting projects that teach an invaluable skill they'll carry with them for a lifetime! Starting with beginner-friendly projects to learn machine-sewing basics, kids will work their way from handmade cards and cool accessories to fun challenges like a fabric notebook cover and drawstring backpack. Learning at their own pace, they'll play games and solve puzzles to practice what they've read. Including special "Helper Stars" tips for the adults in charge, this updated edition is the ideal get-started guide to help your child fall in love with sewing.

- Updated 2nd edition! 14 new and updated sewing projects for kids and teens

- Kids start with machine basics and safety tips, building their skills at their own pace

- Games, puzzles, and stitching practice help young sewists remember what they've learned

Lynda Milligan and Nancy Smith *are the creators of the I'll Teach Myself series, designed to introduce sewing to a younger generation. Although they have now retired, they continue to share their passion by designing patterns and teaching classes.*
